BE UP AND DOING.

Our Citizens Should be at Work
For the Coming June
Meeting.

The time is near at hand, when our streets will be crowded with strangers from all parts of Missouri and the surrounding States, called here by the Missouri Horticultural Society. It is important that we should wash our faces, so to speak, and put on our new hats and buckles, that we may be in the best condition for the reception of those who come. Every citizen, whether property holder or not, has an interest in this matter and should do his utmost to place the town and surrounding country in as complete order as possible. We have nearly everything needed within easy reach, and each citizen can, with a little labor, put the premises he occupies in an attractive shape. Lime is cheap, white-wash your fences and out-buildings. Blue grass soil is ready to get established, lawns about your houses; remove all unsightly rubbish from the streets and alleys. With a little work, properly directed, now and then, much may be accomplished before the June meeting and the increased beauty of the town will amply repay every one. Our orchards should be pruned, all dead and sunburned limbs removed. While the trees are growing is the best time for such work, the wounds made, will heal rapidly and less injury will be done. Wood piles should be removed from the streets; our merchants should see that all displays of goods, machinery, &c., about their places of business are neatly arranged. These things should be done by our people at all times, but more especially now. We are not citizens of Holt County, of Northwest Missouri, as our town has been chosen among all the others by the State Horticultural Society for its place of meeting this year, that we do not fail in anyway to make our town presentable. The effect produced, will be in proportion to the degree of satisfaction secured to our visitors.

Let us be up and doing, June 5th, 6th and 7th, the time when their meeting will be held, will soon be here.

Attention, Comrades.

At the approach of another Memorial Day, you are reminded that it is made your solemn duty to see that the graves of all your fallen comrades be dressed with spring's richest profusion of flowers. Let every member lay aside his work and business engagements, and join with his comrades in this noble work of perpetuating the memories of our heroic dead.

Therefore, in accordance with orders, all members of Meyer Post, G.A.R., will assemble at their headquarters on Sunday, May 27th, at 10 o'clock a.m., sharp, for the purpose of attending divine worship.

Comrades residing in the vicinity of Oregon, will report at Post Headquarters on the morning of May 30th at 7:30 a.m., sharp, where transportation will be furnished and will proceed to Mount City to participate in the exercises of the day with our comrades of Mount City. Comrades residing near Forest City will report to comrades Hill and Teare, who will furnish transportation for the same purpose and await the arrival of the detachment from Oregon.

Comrades Burgess is detailed as standard bearer and George Fryman as color bearer.

Quartermaster Morrison will call to his aid all such comrades as he may deem proper for the flagging and mounting of all comrades' graves at Oregon.

Comrades Lymans, Teare, Lunford, Burgess, Hill and Teare are detailed to mount and decorate the graves of comrades Baileys and Thorndill, buried in the Forest City Cemetery, which is to be completed before their departure for Mount City.

The following details are announced to see that the graves of the following comrades are properly decorated by 7:30 a.m. on the morning of May 30th: Christ Meyer, J. H. Nix and family; R. D. Markland; A. C. Ware and family; V. L. Allen; J. D. L. Nipper and E. L. Allen; [Family] Elias Bridge—Columbus Bridge and family.

J. L. Brown—Clint Leverich and family; J. Green—Henry Molter and family; J. F. Edfrey—Tom Fry and family; Mees Bennett—Ferd Roetck and family; Gen. Seeman—Fred Seeman and family; Jas. B. Curry—Tom Curry and family; Levi Croucer—Dan Zachman and family; H. B. Gaddis—Dan Kunkel and family; Quinney Gordon—Perry McKittrick and family; Bobe Chesney—G. W. Commins and family; David Hartley—H. E. Denby and family; Wm. Meyer E. P. Hostetter and family; D. Caldwell—L. R. Knowles and family; Dr. Watson—Herman Watson; Mrs. Watson—V. V. [Family]; Jim. McKnight—Phil Rush and family; Owen Currier—W. H. Frame and family; Joe Schade—J. R. McDonald and family; Ames Castle—P. P. Doherty.

One of the Guard Smeads will announce his detail for guards of honor at the next regular meeting of the Post.

All comittees will report at Post head-quarters at their next regular meeting, Saturday evening, May 26th, for further orders.

Quartermaster Morrison, son, and officer of the day, will assist by commanding the day, will make all arrangements for the necessary refreshments.

J. H. Nix, Commander,

D. P. Dobins, Adjutant.

Where We Stand.

Below we give the platform of the Republicans of our state, recently adopted at their State Convention at Sedalia.

Resolved. That the Republicans of Missouri, in convention assembled, reaffirm their devotion and allegiance to the principles enunciated and promulgated in the national platform of the Republican party.

Resolved. That monopolies and trusts oppressing the people or unfairly discriminating against local interests, are wrong in principle and should be restrained by law.

Resolved. That we demand a free vote and an honest count of every legal ballot; that one vote in the south should count as much as one vote in the north, east or west, and no more; and we do especially denounce frauds in the ballot box in the southern states as publicly admitted by leaders of the Democratic party.

Resolved. That the financial achievements accomplished through its public legislation and administration are next in importance to the work of the Republican party in preserving the nation itself, as they are attended by rapid liquidation of a great national debt incurred to meet national emergencies and by reduction of the rate of interest to the present low figures, and that it is the policy of the party to bring taxation within the lowest practical limit, and by the strictest system of economy reduce governmental expenses, thus leaving the people of all unrescued burdens.

Resolved. While we at all times favor the proper revision and adjustment of the tariff so as to give legitimate encouragement, we demand that such revisions shall be made on the basis of protection to American industries and labor, and of preserving a home market to the home producer; and we are uniformly opposed to the doctrine proclaimed by President Cleveland in his annual message, and to the tariff known as the Mills tariff bill.

Resolved. That the placing of wool, lead, zinc and iron on the free list is a direct blow at national interests and prosperity of the state of Missouri.

Resolved. That with firm faith in the ultimate success of our principles, and hopefully looking forward to the continued growth of our community, we invite the most and progressive citizens to aid us in the coming campaign. There are plenty of men already at work for the nomination of favorites, and for the election of a party.

Resolved. That the union soldiers are entitled to the gratitude of the nation. It was their heroic services that made our national and preserved the government. Relief for disabled veterans should be extended, not as sums to parapets, but as partial compensation for services rendered. And we condemn the action of President Cleveland in indiscriminately vetoing pension bills passed by congress.

Resolved. That we heartily endorse the several movements being made in Missouri to promote the influx of capital and immigration to develop our vast and varied resources, and we commend the action of our Democratic legislature in abolishing the state board of immigration.

Resolved. That we approve of equal taxation among corporations, as well as individuals, as a correct system which should be perfected and enforced throughout the state.

Resolved. That we arrange the Democratic party of Missouri to their several meetings, whereby litigants in the supreme court may have a speedy determination of their cases. Delays for years are suffered by them which make a great hardship upon the people and in various instances amount to a denial of justice.

Resolved. That we pledge to the nominees of the national Republican convention, soon to be held, a united and vigorous support.

The following nominations were made:

Governor—E. E. Kimball of Vernon county.

Lieutenant-Governor—Geo. H. Wallace of Howard county.

Secretary of State—F. W. Mott of St. Louis.

Treasurer—A. B. Fowen of Henry county.

Auditor—Geo. W. Martin of Linn county.

Attorney General—L. L. Bridges of Sedalia.

Register of Lands—John H. Chase of Iron county.

Railroad Commissioner—B. W. Velder of Sedalia.

Supreme Judge—Jas. Bosford of Kansas City.

A Queer Barometer.

It is not generally known that the rendered fat of a woodchuck is as good a barometer as any we have today. While in the country a short time ago, the writer had occasion to travel through the lower part of Berk. At the house of a friend he was pressed me to take an umbrella with me. There were no signs of a storm. I asked why he persisted in so dogged a manner for me to accept the article. "Why," said he, "isn't my barometer?"

There upon a shelf stood a bottle sealed with beeswax. It was a cloudy day, the old gentleman said that he had used this one for most 21 years, and if a storm was to lower the barometer get cloudy 12 hours before the rain or snow began to fall. In clear weather the oil was always clear. Reading (Pa) Herald.

Mr. C. Schleicher has added a feed crisper and set of burns to his saw mill, and is now prepared to accommodate all who call. Parties desiring crusted feed or as good meal as you can get anywhere, should remember that. Have your corn in before, or by Fall of each week, as Friday is their day for grinding.

The will of a son-in-law of John C. Calhoun leaves the former home of Calhoun, which was occupied by him, and a handsome endowment, to the State of South Carolina for the establishment of an agricultural institute.
